Those registering by April 20th receive **exclusive** representation of their industry, subject to a quick review and approval by our Convention Committee. For our out-of-town vendors, we have a block of rooms at the Holiday Inn under group code "Two Rivers REIA".

We believe vendor space will go quickly; here's why: Registration includes three tickets to the Goins/Youngs sessions **and** to our luncheon banquet! Vendors will be helping us to promote, for their own benefit and for the Association, and this is our way of saying, "Thanks!" While the Bus Tour is not included, this will allow vendors to have a rep on the bus and one at the table. (Please see our "Vendor Display Agreement" for all details).

Please contact us **today** to reserve your spot. 515-710-1955 or info@TwoRiversREIA.org.

Vendor Display Agreement

Primary display times are 10:00 - 10:55 and 1:30- 2:00, with optional periods of 8:00-8:25 and 2:00-4:00, the latter for vendors who choose not to be on the bus.

Vendors may want to register by 7:30 and setup by 8:00 for the early-bird optional display period. We expect to send a pre-event Vendor Tips mailing just prior to the event to help vendors maximize their time and benefits.

Your registration fee includes vendor display table, skirting and chairs. If you have a special display, please contact us immediately so we can ensure the designated space will accommodate your needs.

All setup fees charged by the Conference Center are included in your registration fee and there will be no hidden charges. The luncheon is also included for the primary representative and up to two guests!

Bus Tour tickets are optional, and additional. If you want to be on the bus, please registration at the Attendees Conference Registration form on the website, or simply email info@TwoRiversREIA.org and we'll take care of it for you!
